

## CITIZENS FOR SAN ANDREAS MEETING MARCH 26, 2008

Zerrall McDaniels presented the draft of the letter to the major landowners. Received input from Tom Infusino and Lynn O'Conner, and a few changes were suggested.

### San Andreas Mobility Plan

Tyler Summerset submitted the RFP. All proposals are due April 26. Tyler explained the details of the RFP.

He then presented the survey for Unmet Transportation Needs. He is holding a community hearing in San Andreas on April 2 at 6:30 PM and in Angel's Camp on April 15<sup>th</sup> at 6:30 PM.

Jim Kavanagh asked Tyler if we can share their Community Grant meeting with our community plan. Tom Infusino suggested we have a new proposal in July with comments in August with proposed deadline for county, Sept. 15.

Tyler will call Jim with date of their meeting. It was then suggested we have separate meetings, using each meeting to advertise the other's meeting.

Mike Del'Orto asked Tyler about the San Andreas Benefit Basin status.

### Readiness timetable:

Have reports ready from each committee in May to be submitted to Tom Infusino for review.

Tom reported on Ventana Project. The initial study for public comment ends on April 17<sup>th</sup>.

Citizens for San Andreas are working on having a community forum for future development. We would like to invite all interested parties, including county reps.

Within the next few weeks, Citizens For San Andreas will have an informational meeting for all interested citizens, and will invite Dave Tanner to answer any questions and explain his proposed development plan.

The meeting was adjourned by Jim Kavanagh around 8:30 PM. Next meeting is April 23<sup>rd</sup>, 5:30 to about 7:00 PM at Oak Shadows Park.
