

Citizens for San Andreas Minutes  
September 24, 2008

Jim Kavanagh presented flyers and placemats from COOG, promoting Livable Mobility Week. The date will be October 15 thru the 18<sup>th</sup>, and will have events in a number of places throughout town.

Tillman Sherman and Sharon Romano presented a power point presentation on our Draft Community Plan Report as it is now. We will be presenting it to the public on November 19 at a Town Hall meeting, so Jim asked that all committees please have their presentations ready for that. He also asked everyone to have them turned in to Sharon and Tillman ASAP so we can submit our Community Plan Report Draft to the county by the first of the year.

Zerrall McDaniel presented a map that had possible ramifications for the San Andreas Community map.

Bob Geiszler will contact CCTV to put the info out for the town Hall Meeting.

Barbara Grogan and Marian Coahran volunteered to put out posters and hand out flyers to the public at Treats and the PO for the Town Hall meeting.

Next meeting will be Wednesday October 29<sup>th</sup>, Oak Shadows, 5:30-7:30.
